

Serial No. 10/710,353

REMARKS

The May 2, 2006 Office Action states that the application discloses the following inventions:

- I. Claims 1-22, drawn to a liner for a cart, classified in class 280, subclass 33.992.
- II. Claims 23-25, drawn to a method for shielding a vehicle surface, classified in class 280, subclass 770.

The subject Office Action states that restriction to one of the inventions is required under 35 U.S.C §121. In this regard, the following election is made without waiver, estoppel and without prejudice to the filing of one or more related applications directed to the subject matter of the non-elected Groups:

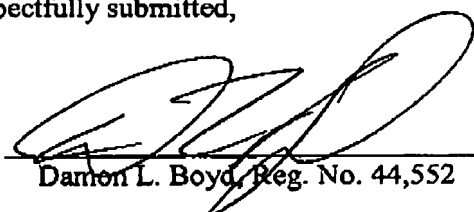

Applicants hereby elect Group I, claims 1-22, for prosecution on the merits, without traverse.

Applicants submit that the foregoing election conforms this application to the Examiner's requirement to elect a single invention and identify the claims readable thereon. The Examiner is invited to telephone the undersigned if such would advance prosecution of this Application in any way.

Respectfully submitted,

Dated: 2 June 2006
